

## Get a chance to pitch to investors LIVE at LetsIgnite 2022, India's biggest investor conference

Lead into the future: Redefining angel investing for new India

Dear sir/madam,

LetsIgnite - India's largest curated investor conclave of the technology startup ecosystem, and is back - bigger, better, and in-person this year! The conference will be held on **Friday, August 5, 2022 in Bengaluru.**

We're here with the **8th edition** of our annual flagship conference where LetsVenture stages **unique fundraising opportunities** and will host the **first-ever startup awards** recognising entrepreneurs across sectors and stages, from bootstrapped success and lifetime achievements to category creators.

With our mission to back the most ambitious founders, we are writing to invite you to apply to [LetsIgnite 2022](#).

### What will happen at LetsIgnite?

#### Fundraising Opportunity

In keeping with the LetsIgnite tradition, startup founders can apply for a chance to raise funding for your startup. This can be the chance for your startup to venture into the next stage. Applications open till **20th July, 2022.**

Selected startups will get to pitch for 3 minutes, followed by 3 mins of Q&A session with relevant investors and VCs at LetsIgnite.

90% of the LetsIgnite startup finalists successfully seal and close funding deals.

### Startup Awards

LetsIgnite is also recognising entrepreneurs with the first edition of **Startup Awards** to celebrate the gut and gumption of Indian entrepreneurs. Our diverse range of categories have a place for founders in various stages of entrepreneurship and building a startup. Application and nomination processes will remain open till **July 20, 2022.**
