

AARAMBH- Startup Bootcamp

NETRATVSHAALA
IDEATE | LEAD | CHANGE

Program Report

Submitted to:
The Managing Director,
UP Electronics Corporation,
Nodal Agency, Start in UP.

Introduction

“AARAMBH” is a series of workshops. The one-day workshops include a seminar wherein the basics of entrepreneurship are being taught to the students followed by a direct Question and Answer round where our highly skilled mentors will resolve any queries that the students have. Ranging from 6-8 hours, the workshops is highly illuminating and conducted by some of the most prominent members belonging to the startup ecosystem- ranging from successful and eminent entrepreneurs, startup mentors, government officials, civil servants, and investors.

Key highlights:

Participants learned about the fundamentals of starting a business, including business planning, market research, and product development. They were introduced to various government schemes and incentives available for startups, such as tax benefits and funding opportunities.

The students were also informed about the Startup Policy 2020 and its provisions for promoting entrepreneurship in the country.

Outcome: The AARAMBH Startup Bootcamp was a great success, with over 2178 students gaining valuable knowledge and insights into the world of startups. The participants left the bootcamp with a bootcamp understanding of the opportunities and challenges of starting a business, as well as a clear understanding of the support available to them from the government.

Benefits to Participants:

- Certificate of participation
- Mentoring support
- Masterclass on raising funds and taxation
- Introduction to UP Startup Policy and benefits
- Session on Startup India schemes
- Ideation and brainstorming workshops

Agendas of "AARAMBH"

- Educating students about Startups- that includes every minuscule detail starting from the basics till the financial plan.
- Giving information about government plans and funds available in detail.
- Training them in all the necessary entrepreneurial skills i.e., how to make an investment, how to raise capital, how to find investors, how to pitch the idea to a potential investor, etc.
- Equip them with all the necessary skills to create an essential study-work balance and teach them the methods required to become a successful entrepreneur while completing their degree.
- Students will get to meet and interact with successful entrepreneurs.
- Mentoring support from industry experts and leaders.

The poster features logos for UP START IN UP (A Government of UP Initiative), NETRATVSHAALA, and G20 INDIA 2023. The main text reads "AARAMBH" in large Devanagari characters, followed by "India's biggest startup bootcamp program" in a yellow box. Below that, a purple box says "COMING TO YOUR CITY" and another purple box says "BAREILLY". The slogan "Start for India Build New India" is written in pink and yellow. At the bottom, a purple banner indicates the "Venue" as "Narayan College, Pilibhit bypass road, Bareilly" and the website "WWW.NETRATVSHAALA.COM".
