

Chiratae Sonic Mixer 2024

5th Dec 2024, Amity University Lucknow campus

This event brings together entrepreneurs and startups striving to innovate, solve social problems, and create meaningful change. It is dedicated to supporting the incubation ecosystem, which comprises 68 incubators, 2,500 recognized startups, and 7 Centers of Excellence, forming a vibrant and diverse network. UPLC is committed to enabling and fostering this ecosystem by organizing such initiatives and providing unwavering support. Startups in fields as diverse as aerospace, blockchain, and AI are making remarkable strides, and funding remains a critical aspect for their growth. Startups must ensure their ideas are socially impactful, economically viable, and problem-solving to appeal to investors and VCs. Together, we aim to continuously promote and strengthen the startup ecosystem.
